Diskloz Technologies Corp Announces Strategic Partnership with Dealertrack to Streamline Automotive Solutions

Edmonton, AB - MARCH 1, 2025 : Diskloz Technologies Corp, a pioneer in automotive software innovation, is thrilled to announce a new partnership with Dealertrack, Canada's leading provider of integrated dealership technologies. This collaboration is set to transform the dealership sales process by integrating advanced digital solutions that streamline operations and enhance user experiences. Dealertrack is renowned for its innovative approach to dealership solutions. The partnership leverages the combined strengths to provide a seamless, efficient, and digitally enhanced interface for Auto, RV, Marine & Powersports dealerships.

"We are excited to partner with Dealertrack to bring our advanced technological solutions to the forefront of the Dealership Management Software industry," said Brandi Lindgren, CEO of Diskloz Technologies Corp. "This collaboration is a major step towards digital transformation in the motorized vehicle market, enhancing operational efficiencies and overall customer satisfaction."

The partnership will also focus on developing new features and capabilities that further integrate digital technology into the automotive sales and management processes, ensuring that dealerships are equipped with the best tools to succeed in a rapidly evolving market.
